PARENT TIPS FOR A SUCCESSFUL SCHOOL YEAR

1. Healthy Diet and Exercise

Children who eat a healthy, well-balanced diet with lots of fruits and vegetables, and who get plenty of exercise are able to focus much better on their school work.

2. Sleep

If your child gets the right amount of sleep for his age, he will feel much better and be able to get up on time, ready for the school day.

3. Attendance and Punctuality

Being at school every day and on time is not only the best way for your child to make sure he completes all of his school work, but it also develops good habits for success in life. Plan family trips and activities so as not to interfere with school.

4. Talk About School With Your Child

Ask your child about his day at school – how it went, what he learned, did he have any problems. Help him figure out positive ways to work out any problems he might be having. Encourage him to talk to his teacher and ask questions about school work.

5. Homework

Every child should be spending some time finishing any unfinished work, reviewing the day's work, and studying for upcoming quizzes and tests. Help your child choose an appropriate place and time for homework each night. Ask to see your child's finished homework every night.

6. Television, Video Games, and Computer Time

Have appropriate limits for television, video games and computer time on school nights. Try doing these activities together as a family, but after homework has been completed. Remind your child of the dangers of talking on the computer with strangers. Be aware of all of the inappropriate content just a click away, and please **MONITOR WHAT YOUR CHILD DOES ONLINE!**

7. Read With Your Child

Take time to read with your child every day. Make it a part of your routine. With younger children, you could make it a part of the bedtime routine. With older children, reading the newspaper and magazines and then discussing current topics with them could be part of a daily routine as well. It will make a huge difference in your child's reading ability and possibly bring you closer together as a family.

8. Make Home Time a Learning Experience

Help your child learn at home by doing activities together, reading, singing, taking trips to the library, or looking up things on the computer together. You are one of your child's best teachers!

9. Teach Organizational Skills

Remind students to lay out all needed clothing and school items the night before.

STUDENT TIPS FOR SUCCESS IN SCHOOL

- 1. Get 7 – 9 hours of sleep every night.
(Teenage boys need the most sleep, but usually get the least)**
- 2. Eat a healthy breakfast. (Example: peanut butter toast, with half a banana, cup of milk, and cup of orange juice)**
- 3. Be present and on time every day.**
- 4. Respect yourself and all others.**
- 5. Put correct headings on all papers.**
- 6. Write every letter and number correctly and neatly.**
- 7. Complete every part of every assignment neatly and correctly, and turn it in on time.**
- 8. Pay close attention to all instruction. Listen with your eyes, ears, and mind.**
- 9. Make sure you have all supplies and/or equipment that you need.**
- 10. Study for tests and use every minute of school time wisely.**
- 11. Be very selective in the content and amount of time you spend online, playing games, watching TV and movies, listening to music, etc.**
- 12. Do all of this with a pleasant, cooperative attitude.**

Welcome

Welcome to The Little Country School The Little Country School is a place where students are happy and content. Our teachers are fair, firm and consistent. Our school provides an atmosphere conducive to learning, where students feel safe and comfortable.

We are not affiliated with any church, and we do not teach any particular denominational view; however, we do teach Christian morals, good manners, and personal integrity. We encourage our students to always be their best selves and strive for excellence.

At The Little Country School, every day begins with a 30 minute assembly. We say pledges to the American flag, the Christian flag, and the Bible. We also say a pledge of personal integrity. We pray the Lord's Prayer and sing patriotic songs. A Bible story is read each morning, stressing the importance of Christian morals.

The Little Country School has proudly served the Jacksonville community since 1982.

The Little Country School lovingly accepts all children without regard to race, religion, sex, or national origin.

A Small School With a Big Heart!
Where Good Manners, Personal Integrity, and Christian Morals Prevail

The Little Country School
**Is fully accredited, registered with the State of Florida,
and complies with the Compulsory Education Laws.**

Our Pledge

With earnest hearts and exalted faith and hope, we solemnly pledge this school to its high and holy purpose of educating children. May the youth of this community, for generations to come, gather in this place to receive instruction in knowledge and training in virtue.

May they find here every condition necessary for a true and enlightened education. Especially, may their teachers and parents be examples of excellence in scholarship and character, seekers after goodness and truth, lovers of children, enthusiasts and adepts in the finest of all arts, the development and inspiration of human souls.

May these rooms always be pervaded with an invigorating atmosphere of mental and moral life, and may no child pass from this school to the outer world without having been made more intelligent, more thoughtful, more courageous, more virtuous, and in every way more capable of wise and just, useful and noble living.

To this end, may the blessing of God be upon child and parent, upon pupil and teacher, upon staff and directors and upon everyone whose influence will in any degree affect the work of education as shall be conducted within these walls.

General Information

Accreditation

School Colors

Red, White, and Blue

Student/Teacher Ratio

Student/Teacher ratio is typically 15:1

School Hours

7:50 AM – 3:30 PM

Please be prompt in getting your child to school each day. Arriving on time allows the students to begin the day in a relaxed manner.

Extended Day Program

The school opens at 7:00 AM and closes each day at 6:00 PM.

School hours are **7:50 AM – 3:30 PM**.

Students may arrive at school as early as 7:00 AM before school and remain as late as 4:00 PM after school without any additional fees. However, the fee for those parents needing the Extended Day Program after 4:00 PM will be as follows:

- One child: \$100 per month
- Two children: \$140 per month
- Three children: \$185 per month

A daily rate of \$10 per day is available for those who only need to use it occasionally.

Scholarships

The Little Country School accepts SUFS and McKay scholarships. Check in the office for details.

Dismissal

When you arrive to pick up your child, let the safety patrol know who you are picking up and they will call it in to Mr. Jay on the walkie-talkie. You may also come inside and wait for your child(ren). At 3:30 PM, Mr. Jay will call all students whose parents are waiting for them. Mr. Jay watches to make sure who is picking up each child. Unless students have appointments and are signed out through the school office, they will not be dismissed before 3:30 PM.

Assembly

Each morning begins with an assembly. All students attend. Morning assembly is one of the most important things we do each day. Valuable moral lessons are learned from the Bible stories read each morning. We also sing, say pledges, go over school

announcements, and acknowledge birthdays. Morning assembly is a great way to begin each school day!

Pledges

All students need to learn the pledges. We say these every day in assembly.

American Flag

“I pledge allegiance to the flag of the United States of America, and to the Republic for which it stands; one nation under God, indivisible, with liberty and justice for all.”

Christian Flag

“I pledge allegiance to the Christian flag and to the Savior for whose kingdom it stands. One Savior, crucified, buried, risen, and coming again with life and liberty to all who believe.”

Bible

“I pledge allegiance to the Bible, God’s Holy Word. I will make it a lamp unto my feet and a light unto my path. I will hide its word in my heart that I might not sin against God.”

Conduct Pledge

“I will be respectful at all times and obedient to those in authority over me, and I will not hurt another person with my words or my acts because it is wrong to hurt others.”

Identification Badges

Parents and visitors are asked to obtain a visitor’s badge from the office when visiting the school between the hours of 8:30 AM and 3:30 PM. This is for safety purposes, and it easily allows school staff to know that the office is aware that you are on campus.

Visitors

When wishing to visit the classroom for any reason, please call first and make arrangements through the office so the normal classroom routine will not be disrupted. Upon arrival, check in at the office and obtain a visitor’s badge. Visitor’s badges are not needed when dropping off or picking up your children before and after school hours. Visitor’s badges are not needed for class parties.

Drop-off items such as lunches, books, etc. should be left in the office to be delivered. Students being picked up for appointments will be brought to the office when needed.

Please understand that any teachers involved in the Extended Day Program cannot effectively watch the children and visit with you. Please make appointments through the office if you need to have a conference or speak to the teacher.

Visitors should not bring in snacks or beverages to be consumed at any time other than lunch time.

Lost and Found

Lost and Found items should be dealt with in the office. For lost sweaters, jackets, etc., check on the coat hooks outside your child's classroom and on the coat hooks across from the water fountains. Please make sure that your child's name is clearly marked in all clothing, dance, and outerwear items.

Parties

In Preschool and Kindergarten, parties are a very important part of the students learning about good manners, holidays, and our culture; therefore, parties will be done as often as the teacher feels valuable.

In all other grades, parties will be as follows:

1. Christmas and Easter parties will be quite elaborate. They will be held on the last school day before the holiday and last from lunch until the end of the school day. Parents are invited to join us for these parties. Parents may help by sending in food and by helping to set up before and clean up after. Each teacher will send home a note giving specific details at least one week prior to the party date.
2. Valentine parties will be limited to the last hour of the school day, and the refreshments will be kept very simple – drinks and cookies only. Other holiday celebrations will be limited to artwork and literature.
3. Birthdays may be celebrated at school in a very simple way. Parents may bring or send cookies or cupcakes to be eaten at lunch time **only**. There may be no gifts at school birthday parties.

Note: Unless all children in the class are being invited to home birthday parties, please do not distribute invitations at school to avoid hurt feelings.

Frequently Asked Questions (FAQ's)

How does a doctor's appointment affect my child's absence?

If the student brings in a note from the doctor and makes up the work, the absence will be considered an excused absence.

Do I need a note if my child has been absent or tardy?

Yes. All students must bring a note when they have been absent or tardy for any reason. A note is required for our records.

May I request homework for an absent child?

Yes, if it is an excused absence, call the school office to make arrangements.

What do I need to do if someone else is picking up my child?

If you know in advance, please send in a note. Otherwise, call the school office.

May I drop off food for my child?

Yes, you may drop off forgotten lunch boxes or lunch money in the school office. However, you may not drop off food from a restaurant. Please bring in forgotten lunches by 11:00 A.M. In a case of forgotten lunch money, the child may simply owe for that day and pay the next day.

May my child heat up or refrigerate food at school?

Standardized Testing

At The Little Country School, students take the Stanford Achievement Test in the spring. See calendar for dates. Results will be mailed with the last report card in June.

Attendance

Attendance Policy

School attendance is very important. Students, who miss school for reasons other than emergencies, will not get credit for work missed because they miss important class discussions, oral reading, and detailed instructions. It also causes wasted teacher time and inconvenience to other students.

Four unexcused absences in any quarter will result in grades being lowered one letter grade. More than **eight** unexcused absences during the school year will result in failure. Students cannot learn the material covered in school if they are not here.

Absences

Death in the family and illnesses are excused absences. Students must bring a note stating the reason when returning from any absence. The school administrators will determine if other absences are considered excused. **NO** absence will be excused without a note. Birthdays are **not** considered excused absences. Teachers are not required to give make-up work for unexcused absences.

Tardiness

Students who are not in class at 7:50 AM are marked tardy. Students who arrive late **must** have a parent or guardian come to the school office and sign them in. Students will not be admitted to class without a parent/guardian signed tardy slip which the student receives in the office.

Make-Up Work

Parents and students need to take responsibility for getting any missed assignments. Parents may call the office to make arrangements to pick up make-up work for a student who is out sick.

School Closings due to Bad Weather

If Duval County Public Schools close due to weather conditions, we will close as well. However, we may be able to return to school earlier than the public schools. Call the school to hear a recorded message on when

to return. If there is no message, it means there is no power, and therefore no school.

Conduct

Behavior

At The Little Country School, we allow no rude language. This includes swear words, street language, inappropriate use of names of body parts, teasing, lying, gossiping, spreading rumors, and any other non-Christian use of language.

Inside and outside, students keep their hands to themselves at all times. There will be no bullying, pulling, pushing, or doing anything to anyone that one would not want done to himself.

We expect every student to follow a Christian Code of Ethics, which promotes honesty, cooperation, pleasant attitudes, and hard work. We also expect each student to take pride in himself, his family, and his school; with all of us working together to be the very best we can possibly be.

At The Little Country School, we pray that every student, parent, and teacher will work together to help all of us grow to our highest potential – physically, mentally, and spiritually.

Discipline

Discipline should be taught at home so that children behave properly at school. Each child will be busily involved in interesting, challenging work at his own ability level. He will be in an environment which is nurturing and supportive. He will be surrounded by teachers and peers who will provide models of appropriate behavior. We will expect discipline to come from within. We will use the least force necessary to maintain a pleasant learning atmosphere. No corporal punishment will be used. Administrators work with teachers to develop age appropriate consequences for inappropriate behavior.

Daily Conduct Pledge

"I will be respectful at all times and obedient to those in authority over me; and I will not hurt another person with my words or my acts, because it is wrong to hurt others."

Students are to memorize this pledge because we say it every day in assembly.

Students who miss more than six lessons during the year, for any reason will not be prepared for the recital and will be taken out of dance. Exemplary behavior and maximum effort is required to participate.

Students must have the proper dance attire by September 1. See pg. 18 for dancewear.

OUR CREED

“I AM SOMEBODY”

I am responsible for my behavior,
 And what I become in life.
 Life does not accept excuses.
 I will not let my need to be accepted by the gang
 Keep me from doing what is right.
 I am somebody.
 I am unique.
 There never has been and never will be
 Another person like me.
 I don't have to pretend to be something that I am not.
 I am somebody.
 Losers let it happen, winners make it happen.
 Therefore, when faced with a mountain,
I WILL NOT QUIT!
 I will keep on striving until I climb over,
 Find a pass through,
 Tunnel underneath,
 Or simply stay and turn the mountain into a gold mine...
 I will do my best.
 I know I can.
 I am a winner.
I AM SOMEBODY!

OUR DETERMINATION

“DON’T QUIT”

When things go wrong as they sometimes will
When the road you’re trudging seems all uphill
When the funds are low and the debts are high
And you want to smile but you have to sigh
When care is pressing you down a bit
Rest if you must but don’t you quit!

Life is queer with its twists and turns
As everyone of us sometimes learns
And many a failure turns about
When he might have won had he stuck it out
Don’t give up though the pace seems slow
You may succeed with another blow.

Success is failure turned inside out
The silver tint of the clouds of doubt
And you never can tell how close you are
It may be near when it seems so far.

So stick to the fight when you’re hardest hit
It’s when things seem worst that you
MUST NOT QUIT!

OUR RESOLUTION

“PROMISE YOURSELF”

Promise yourself to be so strong
That nothing can disturb your peace of mind.
To talk health, happiness, and prosperity
To every person you meet.
To make all your friends feel
That there is something in them.
To look at the sunny side of everything
And make your optimism come true.
To think only of the best,
To work for the best,
And expect only the best.
To be just as enthusiastic about the success of others
As you are about your own.
To forget the mistakes of the past
And press on to the greater achievement of the future.
To wear a cheerful countenance at all times
And give every living creature you meet a smile.
To give so much time to the improvement of yourself
That you have no time to criticize others.
To be too large for worry,
Too noble for anger,
Too strong for fear,

And too happy to permit the presence of trouble.
